

QUICK HOME ENERGY CHECKUP FREE in-home audit

Improve the Efficiency of Your Home with this Fast and Easy Home Walk Through.

A **Quick Home Energy Checkup** (QHEC) includes a FREE in-home audit from a Certified Energy Auditor, who will assess your home's energy usage and provide you with recommendations for greater efficiencies through equipment upgrades or other energy-saving opportunities. Additionally, you will learn about simple actions you can take to help lower energy costs. During the audit, the auditor may also install energy-efficient measures at **no cost**, including:

- LED Lightbulbs
- Kitchen and Bathroom Faucet Aerators
- Showerheads
- Pipe Insulation
- Advanced Power Strips
- Installation of (1) eligible Smart Thermostat with proof of purchase through the ETG Marketplace (elizabethtowngasmarketplace.com).

QHEC is a great introduction to energy efficiency in your home.

HOME PERFORMANCE WITH ENERGY STAR® PROGRAM

Rebates up to \$5,000 and 0% APR Financing

Investing in energy-efficient improvements can help reduce energy costs and increase the comfort and efficiency of your home. When you're ready to take the next step to energy efficiency, consider the Home Performance with ENERGY STAR Program.

Program Details

The **Home Performance with ENERGY STAR Program** offers a "whole-home" solution to help increase the comfort, safety and durability of your home, while saving you energy and money. Enjoy 0% APR financing with the On-Bill Repayment Program and up to \$5,000 in rebates.

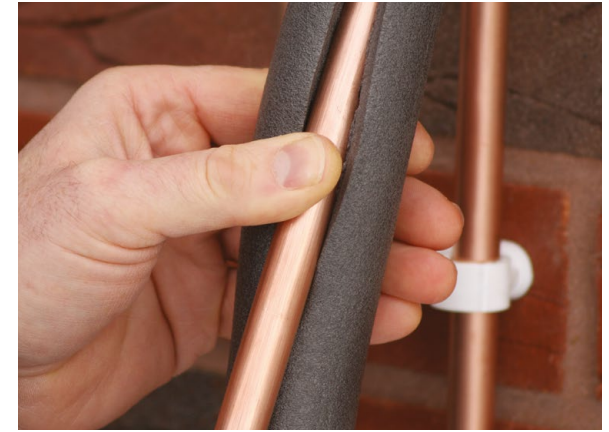

You will learn how your home measures up in terms of air leakage, proper insulation, and heating and cooling system operations. During a scheduled audit, a Building Performance Institute (BPI) Certified Participating Contractor will help you identify energy efficiency improvements that can save you money on your energy bill and help you qualify to **receive up to \$5,000** in rebates.

To find a BPI Certified Participating Contractor, call **1.833.493.0692**

Financing

- Up to \$10,000 at 0% APR for 7 years OR up to \$15,000 at 0% APR for 10 years with the On-Bill Repayment Program (OBRP).
- Contractor will conduct an in-home audit and provide you with a comprehensive report with recommended improvements to help save you energy and money.

Rebates

- Up to \$5,000 in rebates (Your contractor will explain the rebates available based on the improvements you choose.)
- Air and Duct Sealing
- Insulation
- Heating and Cooling Systems
- Water Heaters

Participation is Easy

1. Find a local BPI Certified Participating Contractor.
2. Schedule an appointment with the BPI Certified Participating Contractor at a time that is convenient for you.
3. Choose the recommended energy-saving improvements you want to make.
4. The contractor will assist you in filling out the rebate application for measures completed at your home and will submit it on your behalf.
