Appliance Rebate Program

Application Terms & Conditions

TERMS AND CONDITIONS

1. Offer open to all Elizabethtown Gas (ETG) Residential Customers for qualified new appliances purchased and installed beginning July 1, 2021, through June 30, 2024.
2. Limit one rebate per qualified clothes washer and/or dryer per ETG residential account.
3. ETG gas residential account must be active at the time of purchase for the installation address associated with this application for appliance to be eligible for rebate.
4. All rebated appliances must be installed and used at the service (installation) address specified on the rebate application.
5. The completed rebate application and all required documents must be received within 90 days of purchase.
6. Rebate applications must be postmarked or electronically submitted by July 15, 2024.
7. Rebate application with valid customer account number must be accompanied by a legible copy of the paid itemized sales receipt showing proof of purchase that includes manufacturer, store name and location, purchase price and date of purchase.
8. It is the responsibility of the applicant to make sure all Program requirements are met and all required documentation is provided to ETG. Failure to provide required documentation will prevent processing of the application.
9. The rebate paid will not exceed the purchase price of the appliance.
10. Rebate will be issued to the account holder and mailing address on record with the utility.
11. Please allow up to 60 days to receive the rebate after completed documentation is received.
12. By participating in the Company's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency and peak demand reduction measure for which incentives were provided by the Company. Your electric utility will aggregate these energy efficiency demand reduction attributes into the PJM capacity market as appropriate, with proceeds being used to reduce customers' costs for the programs.
13. ETG and/or their designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews may require reasonable access to installations and will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
14. This Program is subject to New Jersey Board of Public Utilities (NJBP) regulatory rules and orders. ETG reserves the right to change any portion of the Program or end this program without notice.

Tax Information

Rebates may be subject to federal and/or state income tax reporting. Rebate recipients are responsible for contacting a qualified tax advisor to determine tax liability. ETG is not responsible for any tax consequences of the rebate program.

Disclaimer

ETG does not guarantee the performance of installed equipment expressly or implicitly. Any concerns regarding installation should be directed to your installer. Customer agrees that ETG has no liability whatsoever concerning the quality, safety and/or installation of the products or measures resulting from the application for a rebate. Customer agrees to waive any and all claims against ETG and its affiliates, directors, officers, employees or agents, arising out of activities conducted by or on behalf of ETG in connection with application for any rebate(s) under the ETG Residential Products Rebate Program.

Keep copies of this form and all required documents.

Send completed application form **along with copies of purchase / installation invoices** to:
