ENERGY-SAVING PROGRAM

EXCLUSIVELY FOR ETG CUSTOMERS

**Home Performance with
ENERGY STAR® Program
(HPwES)**

HOME PERFORMANCE WITH ENERGY STAR® PROGRAM

SAVE UP TO 20% IN ENERGY COSTS*

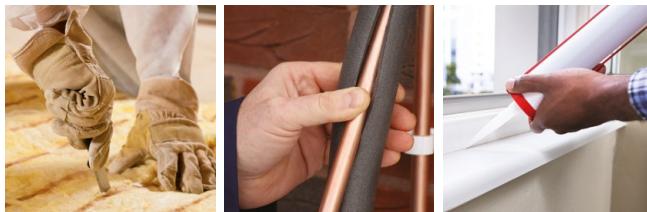

Energy-efficient improvements are more affordable than you may think.

Program Benefits

- Lower energy bills
- Improved indoor air quality
- Less energy use
- Enhanced comfort

Financial Incentives

- **0% APR financing**
with the On-Bill Repayment Program (OBRP)
- **Up to \$5,000 in rebates**
Your contractor will explain the rebates available based on the improvements you choose.

How it Works

- Step 1:** A BPI (Building Performance Institute) Certified Participating Contractor visits your home & performs an energy audit.
- Step 2:** The Contractor reviews a summary of improvements with you. A comprehensive report with cost estimates for specific upgrades will be provided to you.
- Step 3:** You select energy efficiency improvements for your home and schedule time with the contractor for installation.
- Step 4:** Apply for 0% APR financing and/or up to \$5,000 in rebates. The Participating Contractor will explain which improvements qualify for rebates and/or financing and submit the rebate application on your behalf.
